

"What a pleasure it has been to do business with you. We needed the ramp on short notice and you were able to accommodate us. I found Rob and his assistant to be professional and meticulous, ensuring that the ramp was installed properly. Rob answered all of my questions and ensured we knew how to properly wheel a patient up and down the ramp. Overall I am very satisfied with the service provided. You made my father in law's transition home much easier for all of us."
