

RAMP FEATURES

- **Rent or Buy**

Rent with the option to buy

- **No Minimum Size or Rental Period**

- **Moveable and Reusable**

Unlike wood or concrete, Amramp is easy to adjust and re-use if you move. There are no permanent modifications to the home.

- **Non-slip Ramp Surface**

Durable, non-skid mesh steel ramp is safer than wood and aluminum, allowing moisture to pass through to prevent puddles, mold or ice from forming.

- **FREE Evaluation**

Our local factory-trained ramp experts will custom design your ramp to meet your needs.

- **We Install It!**

Most installations take less than a day.

- **Financing available**

Call now to get started.

WHEELCHAIR RAMPS

QUICK DELIVERY

Only Amramp stocks our own local warehouses (coast to coast). This eliminates freight delays so we can install your ramp quicker. Our ramps can be installed in days, not weeks or months.

RENTALS

For short-term disabilities, rental properties or while staying with a family member, Amramp's RENTAL program might be the best solution.

If you are not sure how long you will need the ramp, start off renting and if you later determine you will need the ramp longer, we will convert 75% of rental fees paid and apply it toward the purchase price.

Amramp makes life accessible!

Our wheelchair ramps and other accessibility products help people with limited mobility to maintain their independence and provide accessibility where they live, work and play.
